

B-HEALTHY

PREVENTION OF COVID-19 AND PROTECTIVE MEASURES FOR OUR BERGWELT

To help you enjoy light-hearted days at the 'bergwelt', your health is our top priority this year. To make this possible, we always adapt our measures to the latest legal regulations.

At the 'bergwelt' applies the **3G rule** (for guests and staff):

- vaccinated
- recovered
- tested (=PCR test is valid for 72 hours)

Hygiene and cleanliness in all areas:

- hygiene and cleanliness are our quality promise
- disinfection dispenser are available throughout the hotel
- regular and extensive ventilation phases in all areas
- well trained staff

Guidelines outside of the hotel – wearing a mouth a nose protection (FFP2 mask):

- in all stores
- at the ski pass ticket office, at all access and queuing areas of all ski lifts as well as during the ride
- throughout the mountain gastronomy (this is not necessary on the tables themselves)
- when using toilet facilities
- in the ski buses and at the ski bus stop

General and very important – SELF-RESPONSIBILITY

Dear guests, if everyone takes a little care of themselves and their fellow human beings, nothing will stand in the way of a light-hearted time out.

Cancellation terms

Of course, you can cancel already made bookings in case of a travel warning 7 days before arrival free of charge! Otherwise, as always, we recommend that you take out travel insurance.
